Paul Mitchell The School Springfield

STUDENT/INSTRUCTOR RATIO

State of Missouri requirements say the ratio of learning leaders to students for cosmetology and esthetics is one (1) learning leader for every twenty-five (25) students. The ratio of learning leader to students for barbering is one (1) learning leader for every fifteen (15) students. At Paul Mitchell The School Springfield, we do not exceed a ratio of one Learning Leader for every twenty-five students.
