To qualify for admission to Paul Mitchell The School Springfield, a prospective student must demonstrate that they are academically prepared to be successful. A prospective student must be able to provide verifiable documentation to support that they have a high school diploma, recognized equivalency and/or those who are beyond the age of compulsory school attendance in the State where the institution is located prior to being accepted. To meet that requirement, prospective students must:

- i. have a high school diploma (this can be from a foreign school if it is equivalent to a U.S. high school diploma); or
- ii. Have a recognized equivalent of a high school diploma, such as a general educational development (GED) certificate or other state sanctioned test or diploma-equivalency certificate like HiSet; or
- iii. Have completed homeschooling at the secondary level as defined by state law; or
- iv. Have completed secondary school education in a homeschool setting which qualifies for an exemption from compulsory attendance requirements under state law, if state law does not require a homeschooled student to receive a credential for their education; or
- v. Have successfully completed at least a two-year college-level program that is acceptable for credit towards a bachelor's degree or completion of an associate degree.

The school does not accept ability to benefit (ATB) students.

## VERIFICATION AND VALIDATION PROCEDURES

If the school has any reason to believe that the diploma is not valid. The school completes a two-step validity process:

- i. The school would check with the high school to confirm the validity of the student's diploma; and
- ii. Confirm with the relevant department or agency in the state in which the secondary school is located that the secondary school is recognized as a provider of secondary school education.
- iii. If the School is unable to determine validity of the high school diploma the prospective student will not be accepted to the school.

## ADMISSION PROCEDURE

The following admissions procedures apply to all new and transfer students. Transfer students are required to complete additional requirements if they would like their prior academic coursework to be considered for the awarding of transfer credits (please see the Transfer Students section of the catalog).

A student's self-certification is not sufficient to validate a high school diploma or high school equivalency certificate or that they have completed secondary school through homeschooling as defined by state law.

*If we determine that your diploma or high school equivalency diploma is not valid you will be denied admission to the school.*

**Students who are homeschooled** must be able to demonstrate and document that they meet their states high school graduation requirements. at NACES (National Association of Credential Evaluation Services ) under: <https://www.naces.org/members>. We must receive a credential report directly from the evaluation services. Copies will not be accepted. Applicants are responsible for paying the costs of the translation and evaluation.

Applicants who have successfully completed at least a two-year college-level program that did not result in the awarding of an associate degree must submit official college transcripts demonstrating successful completion of at least 60 semester or trimester credits hours or 72 quarter credit hours that is acceptable for full credit towards a bachelor's degree at an institution.

## STATE LICENSING DISCLAIMER

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Missouri Division of Professional Registration to deny licensure. The Missouri Division of Professional Registration denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. Paul Mitchell The School Springfield is not responsible for students denied licensure.

## DISCLOSURE FOR PROGRAMS LEADING TO LICENSURE

The following programs offered at Paul Mitchell The School Springfield lead to licensure in the state of Missouri: Cosmetology, Barbering, Instructor Training, Esthetics, Advanced Manicuring, and Manicuring. We have compiled a list of all states that require licensure for the program you are interested in enrolling. We have identified whether the institution's program curriculum meets, does not meet, or a determination has not been made yet, for other state's individual state educational requirements for professional licensure. This information can be located on the school's [paulmitchell.edu](http://paulmitchell.edu) website, as well as you will receive a copy in the school's admissions packet, prior to touring the school.

Please note that the school you are planning on attending has only had their curriculum evaluated by the state that you are attending school in, which meets the state's requirements for licensure and practice. In determining whether your program of study is acceptable in another state, each state board reviews the number of clock hours you attended in your home state, the subject areas and practical experiences you completed, as a part of the process of determining what, if any, additional requirements you may have to meet in order to be licensed in their state. We encourage all graduates who are considering becoming licensed in another state to first take the licensure exam in their home state, which will make it easier to transfer into another state. If you are not licensed by your home state, the state you are considering getting licensed in may require you to take additional training to meet their state minimum hour requirements and/or take their state licensure exam. State boards do not evaluate the curriculum of schools located in other states, but do, in most cases, recognize training from other states in order to transfer their license.

If, at any time, the program you are enrolled in, ceases to meet the educational requirements for licensure in the state where the student is located, the school will provide written notice directly to the student in writing within 14 calendar days of making that determination.

## CONSTITUTION DAY

Constitution Day was established by Congress in an effort to increase knowledge about the United States Constitution. The amendment, proposed by Senator Robert C. Byrd, was passed in December 2004, and requires all educational institutions to commemorate Constitution Day by offering education and programs each year on September 17 (or in the preceding or following week if the date falls on a Saturday, Sunday, or holiday).

Constitution Day commemorates September 17, 1787, the signing of the United States Constitution. The Constitution established America's national government and fundamental laws and guaranteed certain basic rights for its citizens.

Constitution Day also serves as a reminder to participate in the political process by exercising our right to vote.

The school celebrates Constitution Day with an event and promotes awareness of the U.S. Constitution and voter registration information to all present.

This year's Constitution Day will be celebrated Tuesday, September 17, 2024.

To view an interactive version of the U.S. Constitution, go to the National Constitution Center at <https://constitutioncenter.org/>.

For more information about voting, go to voter resources at <https://www.eac.gov/>.

### COSMETOLOGY COURSE OVERVIEW

**Course Hours: 1500 clock hours**

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

1. **Pre-clinical Classroom Instruction:** The first 210 hours (full time) or 200 hours (part time) are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
2. **Clinic Classroom Learning Experience:** The remaining 1300 hours (full time) or 1290 hours (part time) are spent in the clinic classroom area where practical experience is gained.

### COSMETOLOGY COURSE OUTLINE

Your time at Paul Mitchell The School Springfield for the cosmetology program will be divided into six designations:

1. **Core Curriculum:** A six week (full time) and ten weeks (part time), 210-hour (full time) 200-hour (part time) introduction to Cosmetology, known as CORE, instills the basic fundamentals. During this time period, Students are introduced to both the realities of our Industry and inspirational mentors to help shape them at the very beginning of their career. An introduction to their textbooks and workbooks, a large overview of the cosmetology program, and a full understanding of their role in the School and the expectations that will be put upon them in the upcoming months are all brought to the fore.

CORE focuses on the fundamentals that enable Students to confidently begin working with clients early in their training. You learn the “foundational rules” PRIOR to working in the clinic. There is a blend of technical skill development with personal development, which helps to foster confidence and provides direction for successful behaviors during the clinic floor learning experience. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the CORE prior to moving onto Adaptive Phase.

2. **Protégé Learning:** Your experience as a Protégé produces a smooth transition from Core Student to Adaptive Student. You spend two weeks as a Protégé preparing you for the clinic experience.

3. **Clinic Classroom Learning:** Your learning process will be guided with individual attention and group learning experiences from 210 to 1500 hours (full time) or 200 to 1500 hours (part time), where mini-classes, clinic classroom worksheets, and periodic evaluations developed specifically for this monitoring progress. This is when you begin experiencing your clinic classroom education on paying clients in the clinic classroom area.
4. **Classroom Learning:** Your time in the classroom from 210 to 1500 hours (full time) or 200 to 1500 hours (part time) is divided into 4 areas. Each of these areas has an instructor who conducts the different specialty classes each week. Classroom Learning Experiences may also include retail, motivation, self improvement, professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist.
5. **Adaptive Curriculum:** From 210 (full time) or 200 (part time) to 750 hours you will enter a new phase of specialty classroom workshops coupled with challenging practical services that will continue to build you into a beauty industry professional.
6. **Creative Curriculum:** You will spend the last 750 hours at Paul Mitchell The School Springfield in “high gear” by dressing, acting, and working like a beauty industry professional. Financial aid refers to a variety of financial aid sources are available to help you pay for college or career school. It is money in the form of grants, scholarships, work-study, loans, or a benefit from completing community service or military service to help students pay for education after high school. Aid comes from various sources, with most of the aid coming from the U.S. Department of Education.

A FAFSA or Federal Application for Federal Student aid must be completed at [www.studentaid.gov](http://www.studentaid.gov) to apply for all federal aid. Students will need to re- apply for Aid every academic year and meet all required eligibility criteria.

*ADDITIONAL INFORMATION AND DETAILS MAY BE FOUND IN THE FINANCIAL AID GUIDE PUBLISHED BY THE SCHOOL.*

The school participates in the following Federal Aid Programs:

## GRANTS

**Federal Pell Grant** This federal grant program provides need-based grants to eligible low-income students. Eligibility for a Federal Pell Grant is determined by your Expected Family Contribution from the FAFSA. You can receive the Federal Pell Grant for no more than the equivalent of 12 semesters, which includes your receipt of Federal Pell Grant from any college you have attended. Additional general information regarding the Federal Pell Grant is available at [www.studentaid.gov](http://www.studentaid.gov).

**Federal Supplemental Educational Opportunity Grants (SEOG)** This federal grant is awarded to students who demonstrate exceptional financial need. Funding is limited for this program, and priority is given to students who qualify for a Federal Pell Grant. A FSEOG Grant does not need to be repaid.

**Federal Iraq and Afghanistan Service Grant (IASG):** This federal grant is awarded to students whose parents or guardian was a member of the U.S. armed forces and died as a result of performing military service in Iraq or Afghanistan after the events of 9/11. - ii. Repayment on the loan begins 6 months after you graduate or withdraw from the school.

Federal Direct PLUS Loans are loans, a parent of a dependent undergraduate student can borrow for up to the amount of the student's cost of attendance for their educational program less any other financial aid the student is receiving. Financial need is not required for this program. The parent (not the student) is the borrower of a Parent PLUS Loan and therefore the parent is responsible for repaying the loan. In addition to the student completing the FAFSA and meeting the basic eligibility requirements for federal student aid, an additional application is required for a parent to borrow a Parent PLUS Loan. Repayment is required immediately following the last disbursement of a loan.

- i. Eligibility is not based on financial need and can be applied to cover the entire cost of attendance.
- ii. A credit check is required. Borrowers who have an adverse credit history must meet additional requirements to qualify.
- iii. If you are a dependent student and your parent is denied the PLUS loan because of an adverse credit history, the student may apply for an additional Direct Unsubsidized Loan.

## VERIFICATION

The U. S. Department of Education may select your FAFSA for a process called verification. If your FAFSA is selected for verification, The School will need to collect additional documentation from you to verify some of the information you provided on your FAFSA. For example, The School may ask for additional information about your income, the number of people in your household, the number of people attending college in your household and identification document, or other information. You may be required to complete verification worksheets and submit tax documents for yourself and your parent(s) or spouse. The School will use the information you provide through the verification process to make any necessary corrections to the information you reported on the FAFSA.

Verification Deadline and Failure to Submit: The Financial Aid Office will not award or disburse federal financial aid until the verification process is complete. Failure to complete the verification process by the deadline may result in a student not being eligible for federal financial aid, in which case the student will need to make other arrangements to pay their educational costs.

## FINANCIAL AID DISBURSEMENTS

The federal financial aid for which a student qualifies is applied to your student account. This process is referred to as financial aid disbursement. Expected disbursement schedule can be found in individual Financial Aid offer letters.

Financial Aid disbursements are evaluated and paid at the end of every payment period, based on the student's satisfactory academic progress.

- i. The first payment period is the period in which the student successfully completes half the clock hours AND half the weeks of instructional time in the academic year.
- ii. The second payment period is the period in which the student completes the academic year and weeks of instructional time in the academic year.

For any remaining portion of the program that is more than the academic year, but less than a full academic year:

- i. The first payment period is the period in which the student successfully completes half of the clock hours AND half of the weeks of instructional time in the remaining portion of the program; and
- ii. The second payment period is the period of time in which the student successfully completes the remainder of the program.

## CREDIT BALANCE

- i. Refunds begin to be issued within 14 days after the disbursement date .
- ii. All funds issued to you by Paul Mitchell The School Springfield through a federal financial aid refund must be used toward educational expenses only and using these funds in any other manner is in violation of and punishable by federal law.

## IMPACT OF WITHDRAWAL OR LEAVE OF ABSENCE

Students taking a leave of absence or withdrawing from classes who are recipients of Federal Financial Aid should contact the Financial Aid office to determine the implications of that leave/withdrawal for their financial aid program. Once you withdraw, drop below half-time enrollment, or leave school, your federal student loan goes into repayment. In most cases, however, you have a six-month grace period before you are required to start making regular payments.

## EXIT COUNSELING

Students who graduate, withdraw or drop below half-time enrollment must complete exit counseling. The purpose of exit counseling is to ensure that student understand their loan obligations and are prepared for repayment.

## OVERPAYMENT

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is any grant overpayment in excess of half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with the school or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds when you withdraw are separate from the school's refund policy. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school will also charge you for any Title IV program funds that the school was required to return. The school's tuition refund policy is available in the college catalog. If you have questions regarding the Return of Title IV calculation or the school's refund policy, the Financial Services Office can assist.

***ADDITIONAL INFORMATION AND DETAILS MAY BE FOUND IN THE FINANCIAL AID GUIDE PUBLISHED BY THE SCHOOL.***

## WITHDRAWING FROM SCHOOL

**Official Withdrawal Process:** If a student wishes to withdraw from school the student must notify the school either in writing or verbally. A written notification can be delivered by regular mail sent directly to the school or via e mail sent to the Financial Services Leader at the School at the following e mail address [aosterloh@thesystemonline.com](mailto:aosterloh@thesystemonline.com). The date that the school is notified is the date of determination of the withdrawal and is based on the postmark date on the mailed notification, the date of the email notification or the date the student calls or notifies the school in person. A student on an approved leave of absence must notify the school as soon as possible if they will not be returning from the leave of absence. If the student fails to return or contact the School Financial Services Leader on the documented return date, then the student will be withdrawn from school with the date of determination being the documented return date.

If the Student fails to return from a leave of Absence (LOA) on the documented return date, the student will be terminated from school as of the date the student began the LOA. If the Student fails to contact the School in regards to not returning from a LOA or extending the LOA, the student will be terminated from school as of the date the student began the LOA. A Student may not take an unapproved LOA.

Official cancellation occurs when a Student is not accepted by the School, or when a Student or legal guardian cancels the Enrollment Agreement. The School also may initiate an official withdrawal for reasons which include but are not limited to the expulsion of the Student or the termination of the Student for failure to meet the applicable requirements of the School's satisfactory academic progress policy or the failure to pay tuition and other charges by the applicable deadlines.

**Unofficial Withdrawal Process:** An unofficial withdrawal may occur for a variety of reasons including but not limited to expulsion, failure to meet Program attendance requirements, failure to attend class in the Student's Program at the School for 14 consecutive calendar days, failure to meet applicable requirements in the school's satisfactory academic progress policies, or failure to pay tuition and other charges by the applicable deadlines.

**Withdrawal Date:** In both cases the Withdrawal Date (which is sometimes referred to as the last day of attendance) will be used in the Institutional Refund calculation and, if applicable, in the Federal Return of Title IV calculation.

## **FEDERAL RETURN OF TITLE IV FUNDS POLICY**

The School participates in the Title IV federal financial aid Programs (Title IV). The Return of Title IV (R2T4) policy and formula are used by the School to determine the amount of Title IV funds that must be returned if the Student withdraws from the School. The R2T4 formula is applicable when the Student withdraws at any point during a payment period.

The requirements for returning Title IV funds under the R2T4 formula is different from a School's institutional refund policy. The R2T4 formula determines the amount of unearned Title IV funds that must be returned when a Student withdraws. In contrast, the institutional refund policy determines how much tuition a Student owes after a Student withdraws.

So, it is possible that the R2T4 policy might result in a return of Title IV funds that previously paid for tuition and other charges at the School. In turn, the institutional refund policy might result in a Student owing funds to the School to cover unpaid institutional charges even though the Student withdrew from the School without completing the Program. The R2T4 policy is discussed below. The institutional refund policy is discussed in the previous section of the Enrollment Agreement.

**R2T4 Calculation:** The R2T4 formula applies if the Student received or could have received federal Title IV financial assistance during the payment period in which the Student withdrew based on applicable eligibility criteria (e.g., Pell Grants, FSEOG, Direct Subsidized Loans, Direct Unsubsidized Loans, or Direct PLUS Loans). The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the Student's withdrawal date. For clock-hour Programs, a Student earns the percentage of scheduled clock hours up to the date of withdrawal divided by the number of scheduled clock hours in the payment period.

For example, if a Student completes 30% of the scheduled clock hours, the Student will earn 30% of the assistance the Student originally received or was eligible to receive. Once the Student completes over 60% of the scheduled clock hours in the payment period of enrollment, a Student has earned 100% of the FSA funds the Student received and was scheduled to receive during the period.

The amount to be returned as unearned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a Student does not start or begin attendance at the School or start or begin attendance in a payment period at the School, the R2T4 formula does not apply but the School must return any Title IV funds disbursed on the Student's account ledger for the applicable payment period.

**Title IV Funds Returned by the School:** If a Student receives (or the School or parent receive on the Student's behalf) excess Title IV funds that must be returned, the School must return all or a portion of the excess funds equal to the lesser of:

1. The institutional charges multiplied by the unearned percentage of the student's Title IV funds:  
or
2. The entire amount of excess Title IV funds.

The school must return its share in the following order:

1. Unsubsidized Direct Loan

2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Federal SEOG

Returns must be made no later than 45 days after the date of determination of the Student's withdrawal.

**Title IV Funds Returned by the Student:** If the School is not required to return all of the excess Title IV funds, the Student may be required to return the remaining amount. This is determined by subtracting the amount returned by the School from the total amount of unearned Title IV funds to be returned.

For any Direct loan funds, a Student must return, the Student (or the parent in the case of PLUS Loans) will repay the Direct Loan funds in accordance with the terms and conditions of the Master Promissory Note (MPN). That is, a Student will not be required to repay any Direct Loan funds immediately, but instead, the Student will make scheduled payments to the Department of Education over a period of time.

Any amount of unearned Pell Grant funds that a Student must return is called an overpayment. The maximum amount of Pell Grant overpayment that a Student must repay is any amount of the overpayment that is greater than one-half of the Pell Grant funds the Student received or was scheduled to receive. A Student does not have to repay a Pell Grant overpayment if the original amount of the overpayment is \$50 or less. The Student must make arrangements with the School or the Department of Education to return the unearned Pell Grant funds or lose eligibility for the Title IV funds.

Within 30 days of the date of the School's determination that the Student withdrew, the School will send a notice to the Student advising the Student that they owe a Title IV overpayment as a result of the Student's withdrawal. If the Student is not able to pay the overpayment within 45 days of the date of the notice, the Student may enter into a repayment arrangement with the Department of Education. If the Student does not pay the overpayment or make a repayment arrangement, the Student will be ineligible for any further Title IV funds.

**Credit Balances:** If a credit balance still exists on the Student's account after the Return of Title IV calculation is completed, the credit balance will be used to pay any grant overpayment that exists based on the current withdrawal or any remaining institutional charges. Any remaining credit balance will be paid to the Student within 14 days from the date that the Return of Title IV calculation was performed.

**Post Withdrawal Disbursements:** If a Student did not receive all of the Title IV funds earned, a Student may be due a post-withdrawal disbursement. If the post withdrawal disbursement includes Direct Loan funds, the School must obtain the Student's or parent's (in the case of PLUS Loans) permission before it can disburse the Direct Loan funds. A Student or parent may choose to decline some or all of the Direct Loan funds, so the Student or parent do not incur additional debt. The School may automatically use all or a portion of a post-withdrawal disbursement of grant funds for institutional charges. The School needs to obtain permission from the Student to apply Title IV funds for other educationally related expenses. Post-withdrawal disbursements will be made from Pell Grant funds first if the Student is eligible. If there are current educational costs still due the School at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be created to the Student's account. Any remaining Pell funds will be released to the Student without the Student having to take any action. Any Direct Loan funds due in a post-withdrawal disbursement must be offered to the Student or parent and the School must receive the Student's or parent's authorization before crediting their account. The request for authorization is required to be sent to the Student or parent within 30 days of the date of the School's determination that a Student has withdrawn.

## **INSTITUTIONAL REFUND/DROP POLICY**

This policy applies to all terminations for any reason, by either party, including Student decision, course or program cancellation, or school closure.

1. Any monies due to the student shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

## **SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES**

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period if:

1. ten days before the beginning of the payment period, the school could have disbursed FSA funds to the student; and
2. disbursement of those funds would have created an FSA credit balance.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student's cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

## **PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES**

Our school does not have a list of preferred lenders and we do not offer private education loans. Students are encouraged to explore federal student aid options before considering private education loans.

## **ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION**

A student no longer faces penalties or suspension of Title IV aid due to a drug conviction that occurred while the student was enrolled and receiving Title IV aid; and while information of such conviction must still be provided, the loss of federal student aid for drug convictions no longer applies.

## **MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS**

The second status change has an administrative processing fee of \$50.00 due at the time the change is made.

## TUITION INSTALLMENT PLAN

The Tuition Installment Plan allows students and families to pay the out-of-pocket amount for the Academic year in equal monthly payments. Students are responsible for any out-of-pocket payment if the financial aid is insufficient to cover the amount due on the first day of school.

Our Tuition Installment Plans does not carry an application fee or interest for 3-12 months.

Things to know:

- The length of the payment plan offered may vary depending on the length of your academic year. Payment Plan applications must be submitted for every academic year.
- The plan amount is restricted to cover just the direct cost, such as tuition and fees listed on the tuition fee schedule.
- Your Financial Services advisor will provide a link to the application if requested.
- Read the contract and all disclosures carefully and consult any advisor before you elect to use the Tuition Installment Plan.

The table below provides the tuition payment plan option and the Annual Percentage Rate or APR associated with the plan. Annual percentage rate (APR) refers to the yearly interest generated by a sum charged to borrowers. APR is expressed as a percentage representing the actual yearly cost of funds over a loan term. This includes any fees or additional costs associated with the transaction but does not take compounding into account.

Program	Program Length	Interest Rate (APR)	Application Fee
PM Payment Plan K	3-12 Months	0.00%	\$0.00

**Please Note:** Students who are delinquent on payments for over 90 days, will have their installment note cancelled. Any monies due will be due to the school immediately. Students will have 15 calendar days to make suitable arrangements with the school or be terminated.

# SATISFACTORY ACADEMIC PROGRESS POLICY

---

## SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy applies to all students regardless of whether or not they are eligible and/or apply for Title IV funding programs. Every student enrolled in a program approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress Policy is provided to all students prior to enrollment. The policy is consistently applied to all students, regardless if they are part time, full time or the program enrolled in. SAP evaluations are maintained in the student file. The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

*In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for Title IV, non-Title IV, and other federal funding students.*

## QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

1. A minimum cumulative theory grade level of 75% or higher.
2. A minimum cumulative academic level of 75% or higher on practical skill assessments.\*
3. To determine whether a student meets the academic requirements for Satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 75% or higher.
4. A minimum cumulative attendance of 80% of their scheduled hours\*\*

*\*To meet the state practical requirements for graduation, students must complete all assigned practical skill assessment. See LEARNING PARTICIPATION GUIDELINES.*

*\*\*To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 75% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in status of probation.

## MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the schedule hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
Cosmetology (34 hour schedule)	45 Weeks	56 Weeks
Barbering (34 hour schedule)	30 Weeks	37 Weeks
Esthetician (30 hour schedule)	25 Weeks	31 Weeks
Advanced Manicuring (32 hour schedule)	19 Weeks	24 Weeks
Manicuring (32 hour scheduled)	13 Weeks	16 Weeks
Instructor Training (34 hour schedule)	18 Weeks	23 Weeks

The maximum time frame allowed for full time student, transfer students who need less than full course requirements or part-time students will be determined based on 125% of the scheduled contracted hours. If any student enrolled

fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs and may be terminated from the program. Students who exceed the maximum time frame may be permitted to continue enrollment, and be charged tuition fees accordingly, on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completes are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

## **IN-COMPLETES, WITHDRAWAL, OR REPETITIONS**

If the student needs to take off more time than allotted in the enrollment agreement or more than 14 consecutive calendar days, the student must take a leave of absence or withdraw and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off due to pregnancy/new mother, and/or military duty then the student should take a leave of absence. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

## **IN-COMPLETES, REPETITIONS, AND NON-CREDIT**

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

## **LEAVE OF ABSENCE POLICY**

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance.

### **LOA will be granted for:**

1. In accordance with Title IX for pregnancy or child birth.
2. If a student is called into active duty for the military.
3. On a case-by-case basis, the school will also consider a LOA for a student who has experienced a personal medical emergency, which cause attendance to be impossible or impractical.

These are the only times leave of absences are granted.

### **In order to be placed on LOA, the student must:**

1. Complete and sign the school's Leave of Absence Request Form
2. Must state the reason for the LOA
3. Students who receive military orders must provide a copy of their military orders.
4. Be approved by the School's Future Professional Advisor and Financial Aid Leader.
5. Leaves must be a minimum of 14 days and must not exceed a total of 180 **calendar** days in a 12-month period.

When a student takes a leave of absence they will return at the beginning of the month. In the case of a student receiving military orders that are less than 14 days, the LOA will be granted for the shorter period of time. This timeframe must be reflected on the student's military orders.

A student on a LOA date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date or take an unapproved LOA, the student notifies the school that the student will not be returning. A leave of absence will extend the student's contract period and maximum time frame by the same number of **calendar** days taken in the leave of absence.

There will be no additional charges for a LOA. If the student fails to return or contact the School Financial Services Leader on the documented return date or take an unapproved LOA, the student will be terminated from school as of that date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to student while on a LOA. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional federal student aid until the payment period has been completed. If the student is a federal student loan recipient, they will be informed of the effects that the failure to return from a leave may have on the student's loan repayment terms, including the exhaustion of the student's grace period. A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of calendar days.

Due to unforeseen circumstances, the school may grant a LOA to a student in the case of an emergency, where the student is unable to complete the LOA request, such as a car accident or other medical issue (i.e,coma) that would prevent the student from requesting the LOA prior to the incident occurring. In these cases, the school will collect the request from the students as soon as possible and document the reason for the granting of the leave after the incident has occurred. The beginning date of the LOA will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no R2T4 refund calculation is required at that time.

If a student does not return from a LOA, the grace period for the Direct Loans may have elapsed in part or in whole. If the student uses 180 **calendar** days of a LOA, the student will have used 100% of his/her grace period and be in immediate repayment of his/her Direct Loan.

Changes to the contract period on the enrollment agreement due to an approved LOA must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.

## EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

The Following programs receive Satisfactory Progress Evaluations in both attendance and academics.

Clock Hours	Clock Hours
Cosmetology 1500 Clock Hours	Instructor Training 600 Clock Hours
Barbering 1000 Clock Hours	Advanced Maniuring 600 Clock Hours
Esthetician 750 Clock Hours	Manicuring 400 Clock Hours

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when students reach:

Program Name	1st SAP Evaluation Period Ends	2nd SAP Evaluation Period Ends	3rd SAP Evaluation Period Ends
Cosmetology (34)	450 <i>actual hours</i> and 13 weeks	900 <i>actual hours</i> and 26 weeks	1200 <i>actual hours</i> and 36 weeks
Barbering (34)	450 <i>actual hours</i> and 13 weeks	900 <i>actual hours</i> and 26 weeks	N/A
Esthetician (30)	375 <i>actual hours</i> and 13 weeks	N/A	N/A
Advanced Manicuring (32)	300 <i>actual hours</i> and 10 weeks	N/A	N/A
Manicuring (32)	200 <i>actual hours</i> and 7 weeks	N/A	N/A
Instructor Training (34)	300 <i>actual hours</i> and 9 weeks	N/A	N/A

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are completed within 7 school business days of the student reaching the evaluation points.

At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum 125% time frame allowed.

The following grading system is used to evaluate a student's academic ability:

1. Examinations are given in all subjects.
2. If a student receives an UnSatisfactory Academic Progress Evaluation, it will be reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress Evaluation will reflect if the student's evaluation will impact the students eligibility for Financial Aid. The student may request to review their Satisfactory Academic Progress Evaluation form the Financial Services Leader or Future Professional Advisor.

The following grading scale is used for theory progress:

**Theory and Practical Evaluations:**

**A = 90 – 100%   B = 80 – 89%   C = 75 – 79%   Failing = Below 75%**

Practical skills are graded by instructor approved in CourseKey Skill Tracker or Guest Ticket. A approval from an instructor represents a passing grade of 75% or higher. No approval indicates a score of less than 75% and the student has not met minimum satisfactory standards on the practical application. The student is required to continue the practical application until they receive approval from an instructor. Student must make up failed or missed test and incomplete assignments.

*\*The school uses a 900-hour and 26 weeks academic year for Title IV purposes.*

**34 schedule = 26 academic weeks**

**32 schedule = 28 academic weeks**

**30 schedule = 30 academic weeks**

## **TRANSFER HOURS**

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on scheduled contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

## **DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

## **WARNING**

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and will be considered to be making satisfactory academic progress during the warning period until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, the student may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds, if applicable.

## **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS**

### *FOR THOSE WHO QUALIFY*

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

## **PROBATION**

Students who fail to meet the minimum requirements for satisfactory academic progress in attendance and academic progress after the Warning period, the student will be placed on probation, if the student appeals the decision, prior to being placed on probation and prevails upon appeal, the student will be considered to be making satisfactory academic progress during the probationary period.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation.

If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

## **APPEAL PROCEDURE**

A student may appeal the Financial Aid ineligible decision if the student has a reason for not making satisfactory progress and if the student can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has ten (10) school days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

# STUDENT CONSUMER INFORMATION

---

## STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request.

## GENERAL RELEASE OF INFORMATION

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

1. State the purpose of the disclosure,
2. Specify the records that may be disclosed,
3. Identify the party or class of parties to whom the disclosure may be made, and
4. Be signed and dated.

## FERPA DISCLOSURES TO PARENTS

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Federal Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student without needing the student's consent.

A school may inform parents of students under age 21 when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

## RELEASE OF INFORMATION TO REGULATORY AGENCIES

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department of Education, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department of Education to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School Springfield provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

## **DISCLOSURES IN RESPONSE TO SUBPOENAS OR COURT ORDERS**

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

## **DISCLOSURES FOR OTHER REASONS**

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence in which that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

## **DIRECTORY INFORMATION**

Paul Mitchell The School Springfield does not publish "directory information" on any student.

## **RECORD MAINTENANCE**

All requests for releases of information are maintained in the student's file as long as the educational records are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely. *The student may contact the schools Financial Services Leader or School Director for copies of his or her educational and financial records.*

## **AMENDMENT TO STUDENT RECORDS**

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the School Director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202.

**Qualified Future Professional with a Disability** means a future professional with a disability who meets the academic and technical standards required for admission and participation in educational program(s) and activities and who has been approved by The School for reasonable accommodations.

### 3. Procedures and Responsibilities

The School will provide reasonable academic adjustments, auxiliary aids and services, and accommodations to applicants for admission and qualified future professionals with disabilities to ensure applicants and future professionals are not denied the benefits of, or excluded from participation in, The School’s educational program. The School will make necessary modifications to academic requirements to ensure that academic requirements do not discriminate against qualified future professionals with disabilities. The School will also ensure that future professionals with disabilities have physical access to The School and use of service animals.

The School employee responsible for implementing these procedures is:

Suzanne Hyde  
ADA/504 Compliance Coordinator  
3017 S. Kansas Expressway, Springfield, MO 65807  
(417) 881-2110  
[shyde@thesystemonline.com](mailto:shyde@thesystemonline.com)

When a future professional informs a staff member that the future professional has a disability, or needs accommodations or assistance due to a disability, the staff member will refer the future professional to The School's ADA/504 Compliance Coordinator. Learning Leaders should not honor requests for accommodations that have not been approved by the ADA/504 Compliance Coordinator ("the Coordinator").

## FUTURE PROFESSIONAL ELIGIBILITY FOR ACCOMMODATION

Applicants for admission and qualified future professionals with disabilities who wish to request reasonable accommodations (including campus tours, orientation, academic adjustments, auxiliary aids and services, or modifications) must contact the Coordinator and complete the Disability Verification Form. Future professionals must provide documentation of their disability from an appropriate professional, which depends on the nature of the disability. For example, a future professional with a psychological disability should provide documentation from a psychologist, psychiatrist, or social worker. The documentation submitted must reflect a date within the past twelve months; if the documentation is older than twelve months, the future professional must provide current documentation to continue their request for accommodations.

The Coordinator has the discretion to determine the type of documentation necessary to establish the present level of the future professional's disability and its impact on the future professional's needs in the education setting. Any costs related to the initial documentation will be the responsibility of the future professional.

All documentation related to an accommodation request, including medical documentation, is treated as confidential, and maintained by the Coordinator in accordance with the Records Retention Policy. Access to these files will be limited to those individuals who need to be informed regarding necessary accommodations or other services.

## INTERACTIVE PROCESS TO REQUEST ACCOMMODATIONS

Future professionals who plan to request accommodations should contact the Coordinator promptly to ensure adequate time for the Coordinator to review the future professional's documentation before the future professional begins the class or program for which the accommodation is requested. The Coordinator will keep a record of the dates and contacts with the future professional, including a record of the accommodation(s) requested by the future professional. Future professionals who have questions about the type of documentation they need to provide should contact the Coordinator to discuss acceptable documentation.

The Coordinator will schedule a meeting with the future professional to discuss their request for accommodation(s). The future professional and the Coordinator will discuss how the future professional's disability impacts them, how the future professional expects the disability to impact them in The School's program, the type of accommodation(s) the future professional has previously received (if any), and the accommodation(s) being requested. The Coordinator and the future professional will discuss which accommodations are needed during all phases of their educational program (Core, Adaptive, and Creative), and for classroom instruction, skills-based instruction, and skills practice.

To qualify, the documentation must show the nature of the future professional's disability and how it limits a major life activity. The accommodation(s) requested by the future professional should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the future professional will discuss and determine what the future professional's limitations are, and how they can be accommodated.

## EXAMPLES OF ACCOMMODATIONS

- A future professional with an orthopedic disability may need a cushioned floor mat, scheduled time to sit, or a particular type of chair.
- A future professional with a learning disability may need extended time to take tests in a location that has reduced distractions, like an office instead of a classroom.

- A future professional with a learning or psychological disability may need a note taker, a copy of the Learning Leader's notes or presentation, or use of a recording device during instruction.
- A future professional with a hearing impairment may need Learning Leaders to use voice amplification systems or may need The School to provide a sign language interpreter.

## DETERMINATION AND NOTIFICATION REGARDING ELIGIBILITY

The Coordinator will determine the accommodation(s) to be provided to the future professional. The Coordinator will consider past accommodations that have been effective for the future professional and will give primary consideration to the type of accommodation requested by the future professional. Alternate accommodations may be provided if they are equally effective for the future professional.

The Coordinator will determine appropriate accommodations typically no later than ten (10) business days after the future professional submits their request for accommodations and relevant documentation. If the future professional does not submit appropriate documentation at the time the future professional requests an accommodation, the Coordinator will determine appropriate accommodations no later than ten (10) business days after the future professional provides appropriate documentation.

The Coordinator will provide the future professional with written notice regarding the determination and any approved accommodation(s) and/or auxiliary aids/services. The Coordinator will communicate the future professional's accommodation(s) to the appropriate Learning Leader(s) and staff. Notification to Learning Leaders and staff will specify which accommodation(s) they are responsible for providing, to whom they will be provided, how to provide the accommodation(s), and when to provide the accommodation(s).

The Coordinator will maintain written records of the interactive process and notifications of eligibility. The Coordinator will verify and ensure that all approved accommodation(s) are implemented. If the future professional informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene to ensure the accommodation is provided to the future professional.

Future professionals with approved accommodations will have a follow-up meeting with the Coordinator if the future professional's program is expected to change. The purpose of the meeting is to determine whether the future professional's accommodation(s) should be altered when the future professional's program phase changes, or the type of instruction changes.

## LIMITATIONS

- The School is not required to make adjustments or provide aids or services that would result in an undue burden on The School. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional that would not unduly burden the program. The Coordinator will offer the alternate accommodation to the future professional.
- The School is not required to alter or modify a course or academic program to the extent that it changes the fundamental nature of the course or program. When the Coordinator determines that a requested accommodation might fundamentally alter or modify a course or academic program, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional and offer the alternate accommodation to the future professional.
- Decisions regarding accommodation or auxiliary aids and services may require consultation with The School's Learning Leaders and/or staff to consider the fundamental nature of a course or academic program or whether the accommodation would impose an undue burden on The School.
- Accommodations are not retroactive.

### 4. Training and Policy Dissemination

The Coordinator will deliver training sessions for all School staff members at least once each calendar year. In these training sessions, the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (as amended) as they apply to The School. The Coordinator will provide information regarding:

- The School's responsibility to provide accommodations to future professionals with disabilities and to not penalize future professionals for using approved accommodations.
- How to appropriately interact with future professionals with disabilities.
- How to implement approved accommodations.
- How to support qualified future professionals with disabilities in The School's programs.

The Coordinator will maintain record of each training session. The Coordinator may also provide training for future professionals who wish to learn about The School's process for requesting accommodations or The School's grievance procedures.

The Coordinator will publish this policy and procedures on its website and in each handbook or catalog provided to applicants for admission, future professionals, and employees.

## **5. Grievance Procedure**

The School is committed to working with future professionals with disabilities to resolve disagreements regarding the need for and/or implementation of accommodations. A future professional requesting an accommodation and/or use of auxiliary aids and/or services may file a complaint in accordance with the procedures detailed below.

- **Informal Resolution:** The Coordinator will assist future professionals with disabilities who have concerns about implementation of their accommodations or their treatment by School staff members or other future professionals. At the request of a future professional, the Coordinator will informally mediate or attempt to resolve issues related to the future professional's disability. If this informal process does not resolve the future professional's concerns, the future professional may request a formal resolution or a file a formal complaint.
- **Formal Resolution:** A future professional may request a formal resolution with the Director of The School.
  - To dispute the Coordinator's decision to deny a request for accommodation.
  - To dispute the Coordinator's decision to provide an alternate accommodation rather than the specific accommodation requested.
  - To dispute the Coordinator's determination that the future professional has not presented sufficient documentation to support the requested accommodation.
  - To resolve concerns that the Coordinator failed to effectively address concerns that a School staff member failed to provide an approved accommodation.

The Director will review all materials submitted by the Coordinator and will interview, as necessary under the circumstances, the future professional, the Coordinator, involved School staff, and other individuals who are relevant to the issue. The Director will render a decision in writing to the future professional.

- **Formal Complaint:** if a future professional is not satisfied with the decision reached through formal or informal resolution, a formal complaint may be filed with the Title IX Coordinator. A future professional is not required to exhaust informal and formal resolution methods before filing a formal complaint. For more information see the Protected Class Non-Discrimination Policy and Procedures.

## **6. Ineligibility**

The ADA applies to qualified future professionals with a disability as defined in section 2. Future professionals who do not meet the qualification criteria are not entitled to reasonable accommodation(s). The Coordinator will not issue any communications or directives to Learning Leaders or School staff for future professionals who have not completed the interactive process and been approved for accommodations.

Future professionals who are not eligible for accommodations but still have an issue affecting their academic performance (including temporary illness) may seek assistance from the Future Professional Advisor who will respond to requests in accordance with established School policies.

Learning Leaders are not to provide accommodations to future professionals without the prior approval of the Coordinator.

This policy and procedures are effective June 9, 2022.

4. Prohibited Conduct:

In certain circumstances, it will be possible to address the behavior informally. An informal response may include coaching, mediation, or other informal resolution options. Administration will take prompt, equitable, and remedial action (including but not limited to requiring sensitivity training, probation, suspension, expulsion, or termination) on all reports and complaints that come to the attention of School personnel, either formally or informally. The School may also provide supportive measures to the reporting party to address the effects of the bullying, harassment, and intimidation.

Sanctioning: If an individual or group of individuals has been determined based on a preponderance of the evidence standard to have engaged in behavior that violates this policy, the responsible individual(s) may be subject to disciplinary action up to and including termination. It is important to note that termination may not result from every report or finding of behavior that violates this policy. An individual may also have their access to School property restricted. The School will also determine if it is appropriate to provide supportive measures to

the reporting party. In certain circumstances the School may not have the ability to sanction the responsible party (i.e., third-parties, former students and staff), but could still provide supportive measures to the reporting party. If warranted, the School will report any criminal activity to the appropriate law enforcement agency.

## **GRIEVANCE POLICY**

This Grievance Procedure will be used to process a written grievance or complaint concerning any other grievance, not covered by the above Protected Class Non-Discrimination Policy and Procedures and Anti-Bullying Policies that a Future Professional feels have been left unresolved against a Future Professional, employee, or third-party. The grievance or complaint will be referred to the School Director and/or School Owner. The following grievance procedures shall be used to address a grievance filed by Future Professionals for complaints filed on their behalf against employees, other Future Professionals, or third parties. A copy of the Grievance form may be obtained from the School’s Director.

In order to facilitate the investigation, the complaint must include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A complaint should be filed within two (2) business days from the date of the alleged incident to allow the school to take timely and appropriate action. The complaint once received will be maintained in the Director’s office, which has limited staff access. The school Director has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose to designate another individual to follow this process.

The time necessary to conduct an investigation will vary based on complexity of the allegation(s) but will generally be completed within fourteen (14) days of receipt of the complaint. If a Grieving Party requests confidentiality, the school will take all reasonable steps to investigate and respond to the Grievance consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the party alleged to have engaged in the behavior, the school will inform the Grieving Party that its ability to respond may be limited.

The Director will begin the process outlined in this policy below.

### Handling of Allegations

The school will investigate all complaints received. The school’s grievance procedures are designed to ensure that the complaint process is free from conflicts of interest.

1. The individual completes the Future Professional Grievance Form and returns it to the School Director.
2. The Director or designee will determine if the Grievance has merit and is appropriately filed under this policy. If another policy is implicated, the Director or designee may transfer the Grievance to the appropriate resolution process. The Director or designee may also transfer matters filed under other procedures to this Grievance Procedure if appropriate.
3. Upon determination that the Grievance has merit and is appropriately filed, the Director or designee will conduct an initial inquiry into the facts surrounding the Grievance. After that initial inquiry, the Grievance may be dismissed for lack of merit, resolved through an Amicable Conclusion, or through an Investigation as outlined below. The Director or designee will consult with the person(s) filing the Grievance and consider their wishes in choosing the mechanism(s) for handling the Grievance. The decision for addressing a Grievance (informal or investigation) is at the discretion of the Director and is not appealable.
4. Amicable Conclusion: the Director or designee will work to identify a resolution acceptable to the School, any other involved party, and Grieving Party. If the Grieving Party accepts the resolution, the Director will work to implement the solution. If the Grieving Party does not accept the resolution identified, they may request an Investigation. If the information found in the initial inquiry does not support further investigation, and the reported

issue can be addressed through action by the School, the Director may decline to take an investigation. If a matter is resolved via Amicable Resolution, it will not be investigated or reopened, unless there is substantial new behavior or information.

5. Investigation: the Director or designee will take the necessary steps to gather relevant information. They will then identify the outcome of the Grievance Investigation briefly in writing, and identify the actions (if any) determined necessary to address the reported behavior for the file. The Grieving Party, Witnesses, and/or any accused parties will be notified of the general outcome of the investigation, but may not be able to have details about the actions taken due to Future Professional (student) privacy laws, employment laws, and/or other relevant laws or policies.
6. Future professionals will not be subject to retaliation for filing a complaint. If a Future Professional feels that they have been retaliated against for reporting a matter covered by this Grievance Procedure, they may submit a written grievance under this policy.
7. There is not an appeal of any decision made under this policy, unless a Future Professional is terminated based upon the investigation. In that instance, any appeal allowed under the Code of Conduct would apply.

Students should follow the above process; however, the student may, at any time, file a complaint with the school's accrediting agency, the state licensing agency or the U.S. Department of Education.

The notice must be included in the school's catalog, handbook, other published materials, and/or otherwise prominently displayed in the school. NACCAS shall not consider a student complaint until all procedures and remedies within the institution have been exhausted. A student complainant must show that the institution's complaint procedure has been followed and state why the matter is considered still unresolved when he/she submits a complaint to NACCAS."

"The NACCAS complaint process is intended as a tool for NACCAS to monitor whether accredited schools are complying with NACCAS' accreditation standards. It is not designed or intended as a means for providing individual relief to the person filing the complaint. As detailed in NACCAS' Handbook, NACCAS' Board of Commissioners will not intervene on behalf of individuals in cases of disciplinary action or dismissal, or act as a

court of appeals in such matters as admission, graduation, fees, or similar points of issue. If you are seeking relief for personal grievances against the institution identified in your complaint, you are advised to exercise your rights under the institution's internal grievance policy. If you are not satisfied with the results of that process, you may wish to consult with the state regulatory board or agency that licenses the institution concerning your rights under state law and regulations."

4. Upon conclusion of the investigation into any allegations, NACCAS will send the individual a letter notifying them of their decision.
